

Safety Data Sheet (In according with 91/155/EEC) Product Name: Purple disappearing Glue Stick	Revision No:
	Issue Date: 7/6/17
	Page: 1/5

1: Identification of the substance/Preparation and company

Product Name: Purple Disappearing Glue Stick, 2ct item#11320
Manufacture: LaRose Industries d/b/a Cra-Z- Art
Emergency Calls: (973)543-2037

2. Composition/information on ingredients:

Water Based Polyvinyl adhesive formulation with PVP and additives. Product has been certified as non-toxic and conforms to ASTM D4236 standard practice for labeling art material for acute and chronic adverse health hazards.

CAS Number: Not assigned

3. Hazard identification

This material is not a “health hazard” or a “physical hazard” as determined when reviewed according to the requirements of the Occupational Safety and Health Administration 29 CFR part 1910.1200: “Hazard Communication” standard

Hazard designation

Skin	None
Eyes	None
Ingestion	None
Inhalation	None

4. First aid measures

After skin Contact	It is unlikely that emergency treatment will be required. If adverse effect occurs, wash with soap or mild detergent and large amount of water. Get medical attention, if needed. Always wash hands before having food.
After eye Contact	It is unlikely that emergency treatment will be required. Wash with large amounts of water (at least 15-20 minutes) or normal saline until no evidence of chemical remains. Get medical attention immediately.
After ingestion	If accidentally swallowed, contact local poison control center or a physician immediately. Do not induce vomiting.
After inhalation	It is unlikely that emergency treatment will be required. Remove from exposure. Get medical attention if needed.

Safety Data Sheet (In accordance with 91/155/EEC) Product Name: Purple disappearing Glue Stick	Revision No:
	Issue Date: 7/6/17
	Page: 2/5

5. Fire fighting Measures

Suitable Extinguishing Media	Alcohol resistant foam, carbon dioxide, water spray, powders.
Combustion products and resulting gases	None
Special Protective Equipment	None. Will not burn unless water has evaporated.

6. Accidental release Measures

Personal Protection	Ventilate the area and avoid breathing the vapors.
Environmental Protection	Do not allow to enter into drains. In case of uncontrolled discharge into natural bodies of soil, inform local authorities. Contain and soak up spillage with non-combustible materials like sand or diatomaceous earth and place in container for disposal according to local regulations.
Methods for cleaning up	Clean preferably with soap or other suitable detergents. Do not use solvents.

7. Handling and storage

Handling Precautions	Handle and store in accordance with all current regulations and standards.
Storage Precautions	Keep containers away from excessive cold or heat. Store in a cool, dry place. Keep containers tightly closed.

8. Exposure controls/personal protection

Respiration Protection	No respirator is required under normal condition of use.
Hand Protection	Hand protection is not required under normal conditions.
Eye Protection	Eye protection is not required under normal conditions.
Skin Protection	Skin protection is not required under normal conditions.

Safety Data Sheet (In according with 91/155/EEC) Product Name: Purple disappearing Glue Stick	Revision No:
	Issue Date: 7/6/17
	Page: 3/5

9. Physical and chemical properties

Appearance	Semi-Solid	Auto flammability	N/A
Color	purple	Explosive properties	N/A
Odor	Mild	Oxidizing properties	N/A
PH	8.0	Vapor pressure	N/A
Boiling point/boiling range	Approx. 100°C	Relative density	N/A
Melting point/melting range	N/A	Solubility in water	Completely soluble
Flash point	>130	Freezing Point	<-5°C
Flammability	N/A	Specific Gravity	1.01+- 0.05m/ml

10. Stability and reactivity

Conditions to Avoid	Exposure to heat and flame. Decomposition of product may include: carbon Dioxide, Carbon Monoxide and NOx.
Material to Avoid	Keep away from oxidizing agents, strongly alkaline or strongly acidic materials.
Hazardous reactions	None

11. Toxicological information

Inhalation	N/A
Ingestion	N/A
Skin contact	Repeated or prolonged contact may lead to skin degreasing.
Eye contact	N/A
Carcinogenicity	None of components present in this product at concentrations equal to or greater than 0.1% have been listed by NTP, classified by IARC, nor regulated by OSHA as carcinogen.
Other	

Safety Data Sheet (In according with 91/155/EEC) Product Name: Purple disappearing Glue Stick	Revision No:
	Issue Date: 7/6/17
	Page: 4/5

12. Ecological information

Biodegradability	Not Available
Bioaccumulative	Not Available
Aquatic toxicity	Product should not be allowed to enter drains and natural requirements.
Others	

13. Disposal considerations

Methods of disposal	Dispose in accordance with all applicable regulations.
Dangers in disposal	

14. Transport information

UN number	No classification assigned.
Hazard class	No classification assigned. Not regulated.
Packing group	No classification assigned. The data provided for transportation only and may not be specific for your package size. You will need to apply the appropriate regulations to properly classify your shipment for transportation.
Air transport	No classification assigned.
Sea transport	No classification assigned.
Inland transport	No classification assigned.

15. Regulatory information

Marking according to EU regulations	Not Available
Contains	
Symbols	
R-phrases	
S-phrases
